

May 12, 2008

Dear Family and Friends,

Our theme this week is “**spring weather.**” We will do rainy, windy, and sunny day activities and experiments depending on the weather this week. Your child may continue to bring in spring items to put in our science table.

Next **Tuesday, May 20, 2008** our Pre-K program will be going on a field trip to **Lincoln Park Zoo in Chicago**. We strongly recommend that parents attend. Every child will need a hand to hold. We will have bus transportation to and from the zoo (not to and from your home). Parents need to bring their children to school at 8:30 a.m and pick them up at 1:15 p.m. Bring a sack lunch and dress for the weather (cold, rainy, sunny etc.) Every child must have a signed permission slip to go on the field trip. Everyone is free! The field trip is a school day, so siblings may not come along. See the flyer for more details. It’s a great trip for students and parents. Hope to see you there!

Please mark your calendars for another exciting date.

Friday, June 6, 2008, we will have our **Pre-K Family Celebration**. It is a picnic at Arquilla Park in Glenwood (not far from school). We will recognize each student with a certificate, have a potluck, and play games. It’s great fun!

Hope you have a wonderful week!

Sincerely,

Mrs. Kolkebeck

Mrs. White
