

Dear Families and Friends,

We hope everyone had an enjoyable Memorial Day weekend! Last week we learned about the zoo. The children learned about some of the animals that can be seen in the zoo and learned to distinguish zoo animals from farm animals. We also practiced positional vocabulary words by putting a zoo animal different places around a building (under, on top, beside, in front, behind, over, inside, outside, middle). Thank you to all the families who came on our zoo field trip. The children had a great time and were excited to talk about all the things they saw at the zoo!

This week we will be working on readiness skills and completing testing for fourth quarter report cards. The children will listen to a non-fiction story and answer comprehension questions about it. We will also work on upper and lower case letter recognition, counting, color and shape recognition.

The end of the year is quickly approaching. We need volunteers to help us clean all our toys and materials before they can be packed away for next year. Attached is a sign up sheet to help clean toys. Please sign up for a time you are able to help and send it back to school with your child. We have a lot to do and any help you can offer is greatly appreciated!! Thank you and have a terrific week!

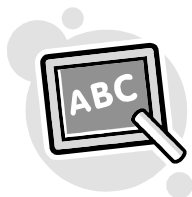

Sincerely,

Miss Megan

Ms. Wade
