

CORONAVIRUS

March 25th, 2020

Dear Brookwood School District 167 Parents/Guardians,

On behalf of Brookwood School District 167 Board of Education, I wanted to reach out to you during this second week of our mandated school closure. I am reminding all families that the state is allowing us to continue to provide meals during Governor Pritzker's stay at home order. You can pick up "Grab & Go" meals at Brookwood Middle School on Tuesdays & Thursdays between 9:30 am – 11:00 am.

Thank you for pulling together during this challenging time. I am very proud of our students, families, and staff who have kept the learning going. We'll just need to keep it going a bit longer. Over the past week, the students, staff and families of Brookwood School District 167 demonstrated an ongoing commitment to learning through continual engagement. I encourage you to continue to access the learning resources on our District website (<https://www.brookwood167.org>) and more listed below.

I am confident that our commitment to our students is unwavering. In the meantime, let's continue to focus on supporting our collective well-being. Please use this opportunity to focus on staying safe and helping to slow the spread of this virus. In the midst of this, with this unprecedented shift to our daily routines, we are grateful for your continued understanding and efforts to model resiliency. We will continue to keep you up-to-date as new information is available.

THANK YOU FOR YOUR INCREDIBLE SUPPORT!

family
